Asbury Woods

Impact Through Inquiry: STEELS & MWEEs

Become a PA Certified Meaningful Watershed Educational Experiences (MWEE) Ambassador!

What You'll Learn:

- 
What is it?
 Professional learning for educators and partners.
- 
Who is it for?
Formal and nonformal educators (classroom teachers, environmental educators, youth program leaders, etc.)
- 
What You'll Gain!
 - Learn the **MWEE Framework** & how it aligns to STEELS standards
 - Gain tools to design **learner-centered, place-based** investigations.
 - Explore strategies for **action projects** and **community connections**.
 - **Connect** with other educators in the region.
 - Leave with **ready-to-use resources!**
- 
MWEE 101 Training (Act 48 Hours available)
 Registrants must complete the free 8-hour self-paced online training before or after the workshop.
