Impact Through Inquiry: STEELS & MWEEs

Become a PA Certified Meaningful Watershed Educational Experiences (MWEE) Ambassador!

What

- Learn how **MWEEs** align with the **STEELS** standards.
- Gain tools to design **learner-centered, place-based** learning.
- Explore strategies for **action projects** and **community connections**.
- **Connect** with other educators in the region.
- Leave with **ready-to-use resources**!

Who

Formal and nonformal educators (classroom teachers, environmental educators, youth program leaders, etc.).

MWEE 101 Training

Registrants must complete the free 8-hour self-paced online training before or after the workshop. The MWEE 101 training offers 8 Act 48 hours.
