# MWEES AND THE WATERSHED

INQUIRY & APPLICATION

Learn to integrate hands-on, real-world water science and stewardship activities into your curriculum through a Meaningful Watershed Educational Experience (MWEE)! Discover effective strategies for connecting students with local watersheds, fostering environmental literacy, and promoting critical thinking skills through immersive experiences.

**October 15, 2025**

**9:00 AM - 3:30 PM**

**200 Shady Lane  
Suite 115  
Philipsburg, PA 16866**

**No cost.**

**Lunch provided.**

Upon completion of training, teachers are eligible for grant funding to help implement MWEEs in their classrooms!

## **Pre-requisites:**

Participants are expected to complete the free online MWEE 101 course BEFORE the workshop begins.

The online course can be found at <https://bit.ly/iu10-mwee101>

**REGISTER BY CLICKING HERE  
OR SCANNING THE QR CODE.**

**Registration Deadline:  
October 8, 2025**
