

AQUAPONICS EDUCATOR WORKSHOP!

Aquaponics is a powerful teaching tool for Pre-K-12 learners. From engineering to chemistry, business to food health and even global food security, aquaponics addresses many topics and applies place-based learning methods.

This one-and-a-half day workshop will cover the basics of aquaculture and aquaponics and includes:

- Local facilities tours
- Make and take aquaponics system
- Resource sharing

What: Aquaponics Educator Workshop

When: Wednesday, July 15, 2026, 1-6 PM and Thursday, July 16, 2026, 8 AM - 4:30 PM

Where: Presque Isle State Park, Tom Ridge Environmental Center, 301 Peninsula Drive, Erie, PA 16505 and surrounding area (Erie, PA)

Who: This workshop is for Pre-K-12 formal and nonformal educators. Hosted by Pennsylvania Sea Grant and Michigan Sea Grant through the Youth Education in Aquaculture initiative.
